Who Are We?

We are dedicated professionals specializing in organizing high-impact medical events, with a focus on oxygenation, ventilation, and acute care conditions.

Our mission is to bridge the gap between physicians and industry partners, fostering collaboration to drive ambitious projects in research, innovation, and healthcare organization.

Agence Choisir is a premier event management and communication agency specializing in creating and delivering bespoke, high-end communication solutions. With expertise in organizing tailor-made events, managing public relations, and providing strategic brand guidance, Agence Choisir transforms visions into impactful experiences.

Operating both in France and internationally—Rio, San Francisco, Dubai, and beyond—the agency designs exceptional events that elevate brand presence and engagement. With a commitment to excellence, Agence Choisir brings brands to life through thoughtful, targeted, and memorable experiences.
