Dear Colleagues,

We are excited to invite you to the **INTACT Meeting** (**IN**tensive **T**reatment **A**nd **C**ritical **T**echniques), a groundbreaking event redefining the interaction between academia and industry in critical care. **The event will be held in Cascais, Portugal (30 minutes from Lisbon) from June 6 to 8, 2025.**

INTACT is designed for intensivists, anesthesiologists, emergency medicine specialists, and prehospital acute care professionals, offering a dynamic, forward-thinking platform where cutting-edge science meets real-world application.

What makes INTACT unique?

A fresh, interactive format fostering open discussions and real-time problem-solving.

A space where industry and clinicians collaborate to push the boundaries of innovation.

Expert-led sessions on ventilation, oxygenation, resuscitation, sepsis, invasive fungal infections, thrombotic microangiopathies, and emerging critical care technologies.

Be part of a new model of engagement. Whether you're shaping the future of critical care or seeking the latest advancements, INTACT is where knowledge translates into action.

We look forward to seeing you at INTACT 2025!
More details coming soon—stay tuned!

Best regards,
